

Carnegie Mellon's campus, located five miles from downtown Pittsburgh, thrives in the heart of the business and research districts in the Oakland part of the city. Bordered by quaint residential neighborhoods and the wooded hills of a scenic park, the 100-acre campus provides an academic environment that combines the best of both worlds—an urban campus in a green setting.

For details about Carnegie Mellon's campus, visit the [Virtual Tour](#).

For directions to campus, visitor accommodations and more, visit the [Visitors Site](#).
