

Multi-modal Neuroimaging Training Program (MNTP)
Center for the Neural Basis of Cognition (CNBC)

Symposium on
“Cognitive and Affective Neuroscience”

Mellon Institute
Conference Room 348
4400 Fifth Avenue
Pittsburgh, PA 15213

Funded by NIH (R90DA023420)

July 1, 2016

8:00 – 9:00 a.m. Registration and Continental Breakfast (Social Room, MI 328)

Session 1: Title (Chair: Howard Aizenstein)

9:00 – 9:10 Opening remarks

9:10 – 10:00 a.m. Sandhitsu Das, University of Pennsylvania, “***High resolution imaging of medial temporal lobe: challenges and opportunities***”

10:10 – 11:00 a.m. Minjie Wu, University of Illinois at Chicago, “***Brain Structural and Functional Changes in the Affective Circuitry across Development and Diseases***”

11:10 a.m. Break

11:10 – 12:00 p.m. Panel Discussion

12:00 – 1:00 p.m. Lunch, (Social Room, MI 328)

Session 2: Title (Chair: Carmen Andreescu)

1:10 – 2:00 p.m. Rebecca Price, University of Pittsburgh, “***Neurocognitive Profiles in Anxiety and Depression: Towards Brain-Based Behavioral Intervention***”

2:10 – 3:00 p.m. Russell Shinohara, University of Pennsylvania, “***Statistical Methods for Extracting and Modeling Features from Multisequence MRI***”

3:00 p.m. Closing remarks Peter Gianaros, University of Pittsburgh, Co-Director of the MNTP Program, CNBC
